

Adding Serials (magazines) to Destiny

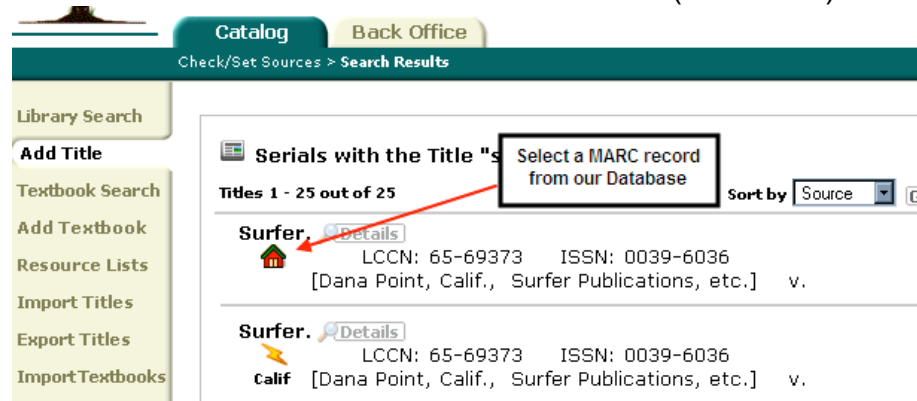

Serials are publications in ANY medium that are issued chronologically and intended to be continued indefinitely. Serials include periodicals (magazines), newspapers, annuals, etc. One MARC record is created for each serial title and NOT for each individual issue.

Things to remember when searching for serial MARC records in Destiny:

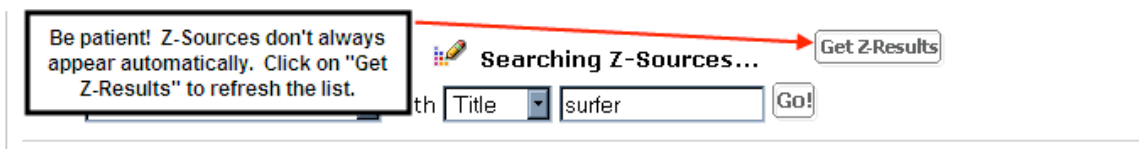

Be sure to select the correct format when searching for magazines.

Choose a record from our Database first (red house).

If no record can be found in Destiny, choose a record from another database (A+ or lightning bolt). Be patient when waiting for Z-Results. They do not always appear instantly. Click on “Get Z-Results” to refresh the list.

Copy specific information can be added when copies are added to the record. Look for the “Volume, Issue, etc.” section.
